1.0 Purpose	Responsibility
<p>1.1 The purpose of this procedure is: to give staff and students clear and comprehensive understanding and instructions on how to pursue an academic appeal, and the grounds on which a student has the right to make an academic appeal.</p> <p>1.2 To describe the associated appeals processes.</p>	
2.0 Scope	
<p>2.1 This procedure applies to Bishop Auckland College/South West Durham Training/The Open University, thereafter to be termed 'the Organisation'</p>	
<p>2.2 This procedure applies to academic appeals against:</p> <ul style="list-style-type: none"> (i) There have been procedural and organisational irregularities in the conduct of assessment / examination(s) (ii) Assessment decisions made by the Assessment Board (HN) (iii) Decisions made by the Module and Academic Board (OU) (iv) Progression has been prevented from one stage to another of the programme (v) A student's health or personal circumstances, notified at / or before the time of the assessment, were not properly considered <p>Students are informed of their rights of academic appeal during induction (Student Induction Checklist C-IN-01 and Programme Handbook, HN & OU, ref 4.1)</p> <p>Note: <i>The academic appeals process for sanctions imposed following disciplinary action is detailed in the Student Disciplinary Procedure (BAC-SS-01, ref: 4.5).</i></p> <p>2.3 This procedure does not apply to University of Sunderland (UoS) courses, please refer to UoS AQH-H1 Academic Appeals Procedure.</p> <p>2.4 For academic appeals related to externally assessed work or examinations, the student must appeal directly to the relevant awarding organisation.</p> <p>2.5 The procedure may be used by anyone who is a student enrolled at the Organisation.</p> <p>2.6 The Organisation will only accept appeals from the students and not from a third party. Support/assistance can be provided at any stage of the procedure by another member of the Organisation community, (which is a person who is currently enrolled student of the Organisation, or a member of Organisation personnel).</p> <p>2.7 Where issues of an academic appeal affect a number of students, those students may submit an appeal as a group. In order to manage the progression of the academic appeal in such circumstances, the group must agree in writing that they nominate one student to act as the spokesperson for those students wishing to appeal. A copy of this agreement must be submitted alongside the appeal. In agreeing to act as a spokesperson the student accepts responsibility for representing the group views and to act as a key contact in relation to the academic appeal.</p>	

	Responsibility
2.8 The Organisation defines a 'working day' as Monday to Friday, excluding bank holidays and other days when the College is closed.	
2.11 As this procedure involves processing personal data, data protection regulations will be adhered to. Please refer to the General Data Protection Regulation Policy (ref: POL-DP-01) for further information.	
3.0 Principles	
3.1 The decisions made will be reasonable and, where required, provide appropriate redress.	
3.2 Academic appeals submitted outside of the timescales prescribed in the procedure will only be considered in the most exceptional circumstance and where there is good reason, supported by evidence, for late submissions.	
3.3 Academic appeals will be treated seriously and students should be assured that they will not suffer any disadvantage or recrimination as a result of making an appeal in good faith.	
3.4 This procedure will be fair and transparent.	
3.5 The process for the academic appeal will be evidence-based.	
3.6 The Organisation is committed to dealing with academic appeals as quickly as possible, and to complete the processing of a formal appeal and any associated review within 90 calendar days, wherever possible (Good Practice Framework – OIA).
